RA-Aus TECHNICAL MANUAL
Section 7.4.3 Annex C
CAO 95.55 para 1.5 - WARNING NOTICES
RA-Aus TECH July 2007 – Issue 2

1. The example below is the required warning label which must be affixed to an aircraft registered under CAO 95.55 paragraph 1.5 and must be in view of the passenger when seated in the aircraft

Warning labels are available from the RA-Aus Office.

WARNING

This aircraft is not required to comply with the safety regulations for standard aircraft.

PERSONS FLY THIS AIRCRAFT AT THEIR OWN RISK

2. The following weight limit placard must also be affixed to an aircraft registered under CAO 95.55 paragraph 1.5 whose design MTOW limit exceeds 544kg and must be in view of the occupants or pilot when seated in the aircraft.

WARNING

THIS AIRCRAFT IS LIMITED TO A MAXIMUM TAKE-OFF WEIGHT OF

544 kg

Aircraft registered under CAO95.55 paragraph 1.5 whose designed MTOW limit is lower than 544kg must modify the above weight limit label to suit their aircraft.
