RA-Aus TECHNICAL MANUAL
Section 7.5.4 Annex A
LSA – EXPERIMENTAL PLACARD

RA-Aus TECH July 2007 – Issue 1

1. Aircraft registered as Experimental LSA and those factory built LSA that not longer conform to their Special Certificate of Airworthiness and which have been assigned an Experimental Certificate must display the word “EXPERIMENTAL” visible to both occupants when seated in the cockpit of the aircraft.
2. The placard shall have the dimensions of 300mm in length by 60mm in height of a contrasting colour to the colour it is being affixed on.

Example:

EXPERIMENTAL
